KAMEHAMEHA SCHOOLS KAPĀLAMA

PARENTS & ALUMNI RELATIONS

Aloha Kamehameha Kapālama High School ʻOhana,

Mahalo for your patience regarding **Dress Whites** for your high schooler. At this time, dress whites can only be ordered via the link below. Please complete and submit the form with the items and sizes you need. It is important that you provide the **BEST PHONE NUMBER** where Lands' End can call you to get your payment information.

Your order cannot be processed until they get your credit card information over the phone. We know this is not the most ideal process but it is the only way we can do it this year. When the ordering and payment process is complete, your order will be shipped to the mailing address you provide on the form.

If your *keiki* is in need of dress white items, please do not procrastinate to place your order to insure they receive what they need in time for the first special event on your campus.

Mahalo nui,
