KAMEHAMEHA SCHOOLS®

MEDICAL FORMS: Kamehameha Schools Summer Programs
KILOHANA PROGRAM

MEDICAL FORMS PACKET

The enrichment program that your child is applying to is a rigorous program requiring healthy learners. If medical conditions change at anytime, please contact us to update your child's medical form. Complete the attached forms:

1. KAMEHAMEHA SCHOOLS PHYSICAL EVALUATION FORM

A. PART I: Health History (HH); and

B. PART II: Physical Examination (PE) Form

INSTRUCTIONS: The **HH** and **PE** forms are required for the program your child is applying to:

1. First, complete your child's **HH** form.
2. Then, take the completed **HH** form along with the **PE** form to your child's doctor and have him/her complete the **PE** form.
3. Be sure to tell your child's doctor that the **date of the physical examination** must be on or after **JANUARY 1, 2017.** If your child has already had a physical examination after this date, your healthcare provider can complete the physical examination form based on that physical examination. Also, notify your child's doctor that your keiki will need a current **tetanus booster** (located at the bottom of the PE form, above the medical clearance box).

2. Request for Administration of Medication (RAM) form

Kamehameha Schools is not responsible for any medications that a student self-administers. Students will be responsible for ensuring that they keep their self-administered medication available at school or on any activity and take the medication as prescribed. If a student shares a self-administered medication with another student, the medication shared will immediately be confiscated, the student's privilege of self-administration will be revoked, and the student may face other disciplinary measures. However, students are not permitted to self-administer any controlled medications (e.g. narcotics or common ADHD medications); these medications will be administered by KS medical staff or their designee.

You will be required to complete a Request for Administration of Medication (RAM) form for each medication, only:

- ***If you would like to have KS medical staff or their designee administer medication to your child; or***
- ***If your child has been prescribed a controlled medication that he or she may need to take during the program.***

If this applies to your keiki, be sure to take the **RAM** form to your child's physician along with the **PE** and **HH** forms to complete.

Send Completed forms to:

KS Admissions Office | 1887 Makuakāne Street • Honolulu HI 96817
or email to: admissions@ksbe.edu | Tel. 808.842.8800

Section I. Agreement and Release by Parent/Legal Guardian(s)

1. I/We, the undersigned, request and authorize Kamehameha Schools Health Services staff or their designee to administer medication, as prescribed by his/her health care provider, to my/our child named above.
2. I/We understand that this request pertains to prescription medications as well as regularly used prescribed over-the-counter medications.
3. I/We also understand that any changes in medication or dosage must be in writing and signed by the prescribing health care provider.
4. I/We hereby release and agree to indemnify, defend and hold forever harmless the Kamehameha Schools, its trustees, representatives, agents and employees from and against any and all claims arising from personal injury and/or property damage resulting from the administration of medication consistent with this request.
