Ke Ali‘i Bernice Pauahi Bishop was the great-granddaughter and last direct royal descendant of Kamehameha I. During her lifetime, she witnessed a rapid decline of the Hawaiian population. With that decline came a loss of Hawaiian language, religion, customs and most of all…spirit.

Despite the dire condition of her homeland and its people, Pauahi envisioned a brighter future for Hawaiians. With the support of her husband Charles Reed Bishop, Ke Ali‘i Pauahi articulated her vision in her last will and testament. She placed more than 375,000 acres of inherited Kamehameha lands in a perpetual endowment with one purpose: to create schools to improve the capability and well-being of Hawaiians.

In 1887, three years after her death, Ke Ali‘i Pauahi’s vision became reality with the opening of the Kamehameha School for Boys. Seven years later, the Kamehameha Schools for Girls was established. In the years that followed, students acquired the skills and knowledge necessary to weather the changes brought about by western civilization, helping Hawaiians find their place in the new society.

Today, Kamehameha Schools is the largest private landowner in the state of Hawai‘i. Income generated from its residential, commercial and resort leases, as well as diverse investments fund the schools’ educational programs and services.

Kamehameha Schools currently operates K-12 campuses on O‘ahu, Maui and Hawai‘i Island with a total enrollment of 5,400 keiki. It also operates 30 preschool sites enrolling 1,500 keiki. KS subsidizes a significant portion of the cost to educate each of its students. Although a modest annual tuition is charged, nearly 60 percent of preschool and K-12 families qualify for need-based financial aid.

In addition to its preschool and K-12 programs, KS also serves thousands of additional learners by providing educational opportunities through summer enrichment programs, community education programs, financial aid and post-high scholarships.

Christian and Native Hawaiian cultural values and practices and service learning are integral to KS programs both on campus and in the community. It is the policy of Kamehameha Schools to give preference to applicants of Hawaiian ancestry to the extent permitted by law.

Hālau Mauli Ola

Mai ka ʻāina o Kumukahi ma Puna kahi i puka aʻe ai ka lā a i Puʻuohau o Kona kahi i moe iho ai ka lā, mai ka ʻāina o ʻŪpolu ma ka ʻākau a i Kalae o ka hema, he leo hoʻālohaloha wale kēia iā ʻoukou a pau loa!

ʻO ke ala meheu o ke kanaka i hele ʻia me ka pono, he alahele nō ia i ka mauli ola o ke kanaka.
The pathway traveled by a person with righteousness will become an on-going pathway of one’s life success.

Mary Kawena Pukuʻi (1983) defines mauli as one’s spirit, one’s heartbeat. It is the uniqueness that sets apart one individual from another. It is the passion that empowers us each day to thrive in order to accomplish and attain one’s goals toward success. ʻIke Mauli is the foundational knowledge that is embedded within an individual that includes one’s genealogical, historical, and geographical existence from Kumukahi in Puna to Puʻuohau in Kona, from ʻŪpolu in Kohala to Kalae in Kaʻū. (Veincent, 2016) We are continued representatives of our ʻohana, communities, and places. We are who we are because of how and where we were raised! This is the knowledge that is embedded into and a continued part of us.

We, members of Kamehameha Schools Hawai‘i, invite you to continue with your educational journey with us here in Keaʻau, Puna this summer as you unleash your passion, explore your interests, expand your intellect, discern your inquiries, and advocate for your own future. We encourage our youth to become the leaders of tomorrow! As an ʻŌiwi Edge school we want our students to be CONSCIOUS, ADAPTIVE, and LEADING!

I welcome you to Hālau Mauli Ola, Kamehameha School’s Hawai’i High School’s summer program that builds and extends upon the ‘ike mauli (foundational knowledge) through ways of knowing extended beyond the regular school year and to allow you to prepare for what is beyond high school through college, career, and life learning educational opportunities.

E ‘imi mau i ka pono, e ‘imi mau i ke aloha, e ‘imi mau i ka naʻauao. Continue to search for rightness, for love, for enlightenment. E OLA!

Kumu Lehua M. Veincent, Ph.D.
Poʻo Kumu – Principal, Kamehameha Schools Hawai‘i Kula Kiʻekiʻe
Hālau Mauli Ola seeks to nurture the academic, social, physical, and spiritual components of our Kamehameha Schools’ students (I ola i ka noho hale) and our community students (I ola i ke kanaka kipa mai) under the guide and aloha of our Akua (I ola i ka haku ʻāina) and the legacy of our aliʻi (I ola i nā aliʻi). As Mauliola is the deity of health and wellness, it is here that we nurture, foster, and embrace the well-being of the hanauna hou (the new generation).

Hālau Mauli Ola seeks:
• to create intentional experiences that value and exercise creativity,
• to provide opportunities where students are able to discover the importance of critical thinking in applying academic knowledge in various situations and settings,
• to promote student advocacy for their own learning and planning and taking initiative moving forward,
• to advance one’s perseverance when faced with challenges,
• to foster leadership skills among individual students and groups of students,
• to be adaptive in a myriad of circumstances and situations,
• to cultivate within an individual the importance of managing time and creating a plan for accomplishing a goal,
• to nurture one’s ability to communicate and present effectively and with pride; and
• to provide conditions where students are able to find reliable and accurate information; and analyze, synthesize, and make inferences from information and data.

An example of the scope of the course offerings reflecting the meheu may include the following and may be for credit recovery or credit advancement opportunities.

Hālau Mauli Ola creates pathways of learning opportunities upon which a student is able to travel upon knowing their own ‘ike mauli in setting their own course in their high school career. A meheu refers to the trails that was traveled upon by those before us. A meheu can be smooth, trodden, or beaten – yet it honors those who have come before as both a level of respect and a catalyst to move progressively forward. Hālau Mauli Ola establishes three meheu for our students:

- **Meheu Kula Nui** (College trail)
- **Meheu ‘Oihana** (Career trail)
- **Meheu Ola Mau** (Life readiness trail)
