

Hawaii Pacific Health Internship Program

About the program

Calling all healthcare related majors! Kealakūlia has partnered with Hawaii Pacific Health to offer 10 students, paid internship positions with Hawaii Pacific Health and their network of medical centers in Hawaii, including Kapiolani Medical Center for Women & Children, Pali Momi Medical Center, Straub Medical Center in Honolulu and Wilcox Medical Center on Kaua'i.

This 6-week, paid internship program is designed to provide high school seniors and college students a rare opportunity to gain first-hand experience in the health care industry. Interns have the opportunity to learn more about hospital systems, interact with experienced health care professionals, and experience a variety of different health care professions.
