# Ho'oulu Kaiāulu Guide

## Pauahi Keiki Scholars (PKS) Scholarship

### Kipona Scholarship

Families of scholarship recipients are required to participate in Hawaiian culture, community service, and enrichment activities known as Ho'oulu Kaiāulu to remain eligible for scholarship awards. The required number of activity hours range from 10 to 20 hours per year, depending on the age of the recipient and scholarship program. Ho'oulu Kaiāulu activities give scholarship recipients and their families an opportunity to cultivate Native Hawaiian identity through cultural engagement, leadership, and service.

To ensure that families and students have a well-rounded experience, the required activities are grouped into the following categories:

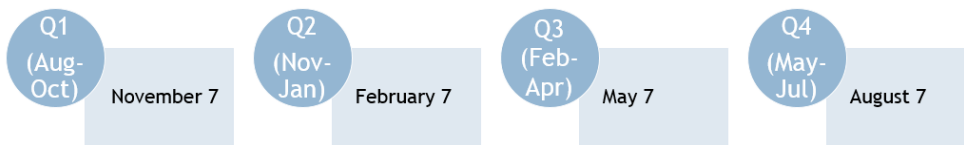

- Papahana (workshops) – activities that foster personal growth and knowledge into daily life.
- 'Ike/Nohona (Hawaiian Culture) – activities that give families the opportunity to learn about the Hawaiian culture
- E Kōkua Kākou (Community Service) – activities that you complete with a non-profit organization.
