

Mālama Mauna`ala

Mālama Mauna`ala is a wonderful service opportunity that assists in preserving and caring for our most sacred and sovereign land, Mauna`ala. You will learn the rich history of Mauna`ala and the Ali`i who were laid to rest there, learn more about servant leadership and learn about specific Ali`i who embody the Hawaiian Values and Traditions of our ancestors of old.

Utilize your gardening and landscaping skills to help beautify this historical site. Volunteers will be providing general landscaping assistance by weeding, planting and raking.

Please wear covered shoes. Rakes and rubbish bags will be provided. Parking is available inside of the Mauna`ala property at 2261 Nu`uanu Ave., Honolulu, HI 96817.

***Please view the Mauna`ala Virtual Tour at <http://www.ksbe.edu/crbt/links> to learn more about the final resting place of our Ali`i.**
