

Homemade Hand Sanitizer Recipe

PREP TIME: 5 minutes

You can keep your homemade sanitizer in reused small lotion or spray bottles. Jars can work too! Just be sure to wash and dry them out well before using.

INGREDIENTS LIST:

— 2/3 cup
99% rubbing alcohol

— 8-10 drops
essential oil, optional

— 1/3 cup
aloe vera gel

PREPARATION INSTRUCTIONS:

1. Mix ingredients.
2. Put a funnel in the opening of the bottle and pour the mixed ingredients into it.

Gift your hand sanitizer to someone in need or make a video to teach others how to make hand sanitizer.
