

# Ice Cream in a Bag

## INGREDIENTS and MATERIALS:

- 1c. half and half milk
- 1.5 tsp. vanilla extract
- 1 Tbsp. sugar
- Ice
- 1/4 c. salt
- Ziplock bags (1 small, 1 large)

1

Pour the following ingredients into a small ziplock bag.

- 1 c. half and half
- 1.5 tsp. vanilla extract
- 1 Tbsp. sugar

2

Seal the bag firmly and get any excess air out.

3

In the larger ziplock bag, fill it about 1/3 way with ice. Add 1/4 c. of salt.

4

Add your small bag and fill with extra ice on top. Seal the large bag. Get gloves for shaking and shake for 6 minutes. \*Gloves are needed since the salt makes the ice extra cold.

5

Take the small bag out and carefully open it. Be sure to not get any remaining salt from the outside of the bag inside the bag.

6

Use a spoon to mix it around and soften it up a bit. Scoop out and enjoy!
