

Make a Map

Make a map of your neighborhood.

1. Draw or paint your [map](#).

OR

Use things in your home to make a [3-D map](#).

2. Write the names of important things in your neighborhood (streets, your house, the park, fire station, stores, etc.)

Be creative! Make more maps!

[My Map Book](#) shows all kinds of maps! Watch to find out about a *Map of My Neighborhood* and other FUN maps you can make.
