

COVID-19 Interview

Interview a family member or friend about their COVID-19 experience. Share your findings in a variety of ways.

Sample Questions

1. How did COVID-19 make you feel?
2. How did COVID-19 change your life?
3. What good came from COVID-19?

Come up with your own questions.

Conversation

Talk to other members of your family about what you learned from your interview.

Video

Record your interview and share it with others.

Visual

Create a drawing, painting, poster, or other visual to share your interview.
