

# KAMEHAMEHA SCHOOLS KAPĀLAMA

PARENTS & ALUMNI RELATIONS

Class of 2023

## Aloha Class of 2023 'Ohana,

Welcome to Kamehameha Middle School! What an exciting adventure our keiki will have this year. We are all new to middle school, but if we work together we can support each other to make this transition an awesome experience for everyone. We ask for your kōkua and take a few minutes to read this email about our Relay for Life event on August 19th. Most of us have had some sort of effect from cancer whether a family member, close friend or possibly ourselves. Our very own Princess Pauahi passed away from breast cancer, that alone makes this event near and dear to our hearts.

**"Relay is a team fundraising event where team members take turns walking around a track or designated path. Each event is 6-24 hours in length and each team is asked to have a member on the track at all times to signify that cancer never sleeps. Cancer patients don't stop because they're tired, and for one night, neither do we.**

**Each team sets up a themed campsite at the event and continues their fundraising efforts by collecting donations for food, goods, games, and activities. This money will count towards their overall team fundraising goal."**

~ American Cancer Society

Kamehameha has teamed up with the American Cancer Society for the past several years. We participate in a Rely for Life here on the Kamehameha campus up at Konia field. There are over 40 teams registered to participate in this year's event on August 19th from 4pm-10pm. We, the class of 2023, have our own team and we ask for you to join us. Come walk / run /jog or make a donation to the American Cancer Society. Keiki are welcome to participate and join the relay. All monies raised go directly to ACS and help with the fight to cure cancer. Parents & Alumni Relations will have a concession stand as well as a few other vendors where you will be able to purchase a bite to eat. Again, all proceeds go directly to AMC.

Please visit our site to sign up or make a donation under our team **Class of 2023**. You will also find more information about the logistics of the event.
