Meet Your Class Parents!

Hi, my name is C. Lehuanui Watanabe-Emocling. I am from Makakilo and currently live in Mililani with my 'ohana. I am a 1999 graduate of Kamehameha Schools and I am a kumu 'ōlelo Hawai'i here. I am the mother of five children.

Aloha! I am Suzie Leong. My husband, Hiram and I have two children. Kuhi is 14 and a freshman new invitee. My youngest, Riley, is 10 and attends Waiau Elementary. We are a typical local family. We work full-time, so between carpooling, binder checks, hula practice and band practice, we somehow manage to still make quality time for each other. We're kinda silly. We take a lot of family selfies (seriously!)

I am grateful for the opportunity to serve as a Class Parent and am looking forward to this school year.

Please contact your PLT (Parent Leadership Team) if you have any questions.

Mahalo!
