

KAMEHAMEHA SCHOOLS KAPĀLAMA

PARENTS & ALUMNI RELATIONS

Second Annual Next Steps Workshop

Presented by KS Kapālama Athletics

WHEN: Wednesday, November 29, 2017

TIME: 6:00pm—7:30pm

WHERE: **Koai'a Classroom 302-303 (new location)**

WHO: Student-Athletes and their Parents (Grade 8—12)

Does your student dream of participating in collegiate athletics? Join us when our Athletics Relations Associate (AKA KS Kapālama Head Football Coach) Albert Ma'afala discusses topics such as:

- NCAA (divisions I, II & III) requirements
- NAIA eligibility requirements
- The recruiting process
- Realistic recruiting options
- A blueprint for families to use to ensure their keiki are on the right path.

Regardless if your child is a Senior on the cusp of graduation or a Freshman navigating through high school, if there is a desire to pursue collegiate athletics you should attend.

For those who attended last year, this is a great opportunity to gauge the progress you have made over the last year. For those who did not attend, this would be an introduction to the process and begin to get a handle on the pursuit of Intercollegiate sports.

Seats are limited so please register today at: <https://ksknextsteps.eventbrite.com>
