

KAMEHAMEHA SCHOOLS®
KAPĀLAMA

November 28, 2018

Aloha mai kākou to my fellow KSK alumni,

It is with great pleasure that I would like to announce a new program to provide KSK Alumni access to our recreational facilities! Graduating from Kamehameha Schools Kapālama puts us in the special and distinguished category of being able to call ourselves KSK alumni. I would like you to know that we value you and the ways many of you serve our haumāna by contributing your time, talents, and/or treasures. I would also like you to know that, as alumni, I want you to remain connected to us and to feel welcome on our campus.

Starting today, KSK will open its recreational facilities to KSK alumni during designated hours. Please refer to the KSK Parents & Alumni Relations (PAR) website at <https://apps.ksbe.edu/par/> for more information and to download the application packet. Included in the application packet is information about the facilities, schedule, and the rules that have been established to ensure everyone's safe and enjoyable use. To be able to access our recreational facilities at the appointed times, KSK alumni will need to obtain a "recreational use" ID card. Please refer to the application packet for more information and detailed instructions.

The KSK Recreational Facilities Use Schedule has been developed to enable KSK alumni to use KSK's recreational facilities without impacting educational and extracurricular activities to the greatest extent possible. Even so, it may be the case from time to time that one or more of KSK's recreational facilities will not be available to alumni during the regularly-scheduled hours due to KSK student priorities taking precedence.

Kapālama is a thriving campus that holds special memories for KSK alumni. We are pleased to welcome KSK alumni back to campus with this invitation to use KSK's recreational facilities.

A hui hou,

Dr. Taran K. Chun
Po'o Kula
