"Kapālama, the Source of Our Connection"

From the peaks of nā kuahiwi 'elima on Hawai'i island to the wet ridges of Wai'ale'ale on Kaua'i, Kapālama is our source of strength and a place we call home. The vision Princess Pauahi had for Kamehameha Schools is for many of us, the foundation on which we build upon. Steeped in cultural tradition, the knowledge gained here connects us to our kūpuna and lights our path forward for generations to come.

The warriors of the ***Class of 2022*** call upon all our Kamehameha 'ohana to return and continue the support and education of her keiki through a fun-filled day of Hawaiian entertainment, student performances, 'ono food, shopping, country store bargains, keiki and teen activities, silent auction treasures, cultural demonstrations and neighbor island specialties.
