- Junior year is the first year the students are able to attend college rep visits in school. The Daily Bulletin provides a list of college reps that will be on campus. The college rep. visits can be found on the **RIGHT HAND SIDE** of the Daily Bulletin
- KS Connect: Grades should be updated weekly by teachers
- For the class of 2021, Hawaiian 1 fulfills their Hawaiian Proficiency requirement. If the student decided to take Hawaiian 1 and 2, this will fulfill their Hawaiian Proficiency requirement **AND** their two year language requirement.
To meet their language requirement, they need to take **TWO YEARS** of a language.
If they did not choose to move on to Hawaiian 2, and picked another language, then they need **TWO YEARS** of the other language.
Please note, that this applies for the **CLASS OF 2021**. Any class after 2021 has different requirements.
- 10/16/19 will be PSAT testing in school. The students will be released at 11:25am
- Completed PSAT tests from the past contain an access code on them. This access code may be used on College Board to provide personalized prep work based upon the student's test results. Past PSAT tests can be provided to the students from their counselors
- Below are the recommended SAT and ACT test dates for our Juniors. It is recommended that they take the tests during Spring 2020. If they have to take the tests during their Senior years, it is recommended they take it as early as possible in the Fall of 2020 so they have their test results to provide to the colleges they are applying to
- SAT Test - March 14, 2020
May 2, 2020
June 6, 2020
* There are various testing sites the students can pick from. KS is a designated testing site
- ACT Test - April 2, 2020
June 13, 2020
July 18, 2020
