Just in case things do not work out well over summer, he would like to keep the Honors recommendation.

Dual Credit Program

What is Dual Credit ?

Dual Credit: The opportunity to earn high school and college credit at the same time; students completing a single course to earn academic credits that are recognized by two or more institutions

Why consider Dual Credit ?

Potential for shortened time to Bachelor's degree

- Easier transition to college
- Option to take a lighter credit load 1st semester at college
- Increased ability to double major/minor
- Cost savings potential

Graduating from college early allows for

- Entering the job market ahead of college classmates
- Completing a graduate degree before peers have a bachelors
- Internship, travel, volunteer, mission work...

Impact of Dual Credit

- KSK grade = College grade
- Grade appears on BOTH transcripts
- KSK DC grade is a weighted 5.0 scale
 - A = 5.0 vs. 4.0
- Higher GPA impacts College Admission & potential merit scholarships
- DC students tend to do better academically

Dual Credit Cautions

- Give your best effort and take ALL academic courses seriously
- College transcripts begins with FIRST dual credit course taken
- Academic dishonesty consequences may be leveled at BOTH institutions
- Course is free, BUT families must repay KS IF course is not completed, or an F is earned (regardless of KS Financial Aid status)
- Satisfactory Academic Progress (SAP)/2.0 GPA AND Financial Aid eligibility can be impacted by "F"ailing even ONE dual credit course

Class of 2023 **Options** for DC

- Earning a High School Diploma that includes Dual Credit classes
- Earning a High School Diploma and an Associates of Arts Degree

KSK High School Catalog

Grade 10 DC courses available

- HAWN 1100/1200 (Hawaiian I)
- HAWN 2100/2200 (Hawaiian II)
- ARTS 1000 (Introduction to Visual Arts)
- COMM 1000 (Speech Communications) **NEW**
- BIOL 1500/2170 (Botany) **NEW**
(must have completed Biology)
