

Aloha Class of 2022 'Ohana!

Summer is quickly approaching, and our haumāna will soon be starting their journey higher up the hill straight into junior year! Just think, in no time they will be seniors and gearing up for all the wonderful graduation festivities. Think of all the hard work and wonderful memories they have made leading up to this time in their lives.

For our current seniors, the class of 2020, they have had a much different experience than anyone could have ever imagined. So many potential memories have been ripped from them due to the current Covid-19 pandemic. Let's unite as a class and show our 2020 'ohana that we are proud of them and support them as they graduate from Kamehameha! We would like to ask that if you could take just a minute to submit a photo of congratulations for the class of 2020 to show our aloha. It can be very simple: a screenshot of a lei perhaps with a short note or even a picture of your 'ohana holding a sign of congratulations. Something so small will go such a long way.

We hope to collect as many pictures as possible to create a slideshow to present to them. Remember, they are not getting the usual commencement ceremony with lei and balloons that normally come with the season so let's show them all the love we can! We've included a few samples below to show how easy it can be to submit a quick note. We would love to receive as many pics as we can before **3:30pm THIS Friday, May 15**. Please send your pictures to imuawa22iors@gmail.com or text to the Class of 2022 Remind group. Encourage your fellow 2022 'ohana to send one in as well! Mahalo in advance and I MUA class of 2022!
