# Papa 2023

Aloha e papa 2023 ʻohana!

With one quarter of sophomore year under our belts we are growing our technology skills, spending more time with family, and learning new ways to stay connected. There are many hands working to make this year a great one no matter how we're spending it, including the class officers who have been diligently planning some upcoming virtual events for their peers.

We also have an excellent Parent Leadership Team that I am honored to work with comprised of Class Parents, Michele Nascimento and Tracey Kaoihana as well as ATP Parents Darren and Sheri Nii and Denise Iwamoto. We would also like to welcome new class of 2023 Vice Principal Kealoha Hoʻomana-Heffernan.

We look forward to working together for the class of 2023 and creating wonderful memories for this amazing class.

Malama Pono,
Kumu Kapua Reeves
Class Advisor
