

## **Aloha Class of 2030 'Ohana,**

As this very unique and challenging school year comes to an end, we have a very special event that we would like your help with. New members of your class have been invited to join the class of 2030 'ohana in 4<sup>th</sup> grade. Covid has forced us to adjust the way we have welcomed them to our KS 'ohana and we're excited to share it with you.

A drive-thru event has been planned and we'd like your help. The celebrants will be asked to drive-thru and around the KES blacktop and will be greeted with stations where they will be given makana from KES, PAR and the Po'okula. There will also be a selfie station for the student.

Balloons and a bubble machine will add to the fun along with KES Admin and Kumu, ATP and PAR and members of your class. We're hoping to line the roadway starting at the Kindergarten playground. The celebration session for your new 2030 'ohana is as follows:

10:15 a.m. – 12:30 p.m.
