

Aloha Class of 2031 'Ohana,

We hope you are able to make it to this wonderful virtual event. We are honored and blessed that our Papa 2 Lau Liko Kumu Kalani Soller has volunteered his time to share mo'olelo (story) with our 'ohana (family). This activity will be about an hour.

Kumu Kalani will be hosting a ti leaf lei making to do as an 'Ohana. We are asking for makua (parent) assistance to help haumana (student) learn how to make a ti leaf lei along with some other ways ti leaf can be used, time permitting. At the end of our session we would like to ask all of our 'Ohana to hold the lei in front of the camera, horizontally, to have each lei connect as much as possible to take a photo. I know we can do this =)

We would also like to ask keiki (child) to present lei to Makuahine (mom), Makuakane (dad) or kupuna (grandparent) (mom figure) if possible to receive lei for Mother's Day and take a picture to send to our class email.

We truly do appreciate all of you in making all of our class events a success. Hope to see you all there. Mahalo!
