Disclosure Regarding Consumer Reports

In considering you as a volunteer, Kamehameha Schools (“KS”) may request and rely upon one or more consumer reports about you that KS may obtain from a consumer reporting agency to be used for purposes of evaluating your suitability as a volunteer working in close proximity to children. In addition, if you are approved as a volunteer, KS may request one or more consumer reports during the time that you are volunteering for purposes of determining your continuing suitability to volunteer in proximity with children and/or as part of an investigation into any matters that might arise during the course of your volunteer work.

A “consumer report” is any written, oral or other communication of any information by a consumer reporting agency bearing on your credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics or mode of living which is used or collected for the purpose of serving as a factor in making employment-related decisions. Such information may include, for example, credit information, criminal history reports, and driving records.

Under the Fair Credit Report Act (“FCRA”), before a company can obtain a consumer report for employment purposes, written authorization is required. Although you are **not** being considered for employment, volunteering could be interpreted as falling within the broad definition of “employment purposes” under FCRA. Accordingly, we wish to provide this FCRA required disclosure and obtain your authorization to obtain consumer reports before proceeding. Before KS would take any adverse action based on information in such a consumer report, you would be provided a copy of the report, the name, address and telephone number of the consumer reporting agency, and a summary of your rights under the FCRA.

Authorization

By signing below, you are voluntarily authorizing KS to obtain and rely upon consumer reports in considering you as a volunteer, and if you are selected as a volunteer, in considering your suitability to continue as a volunteer and for investigation purposes as needed.
