Class of **2025 ATP**
SEPTEMBER 2021

the results are in!

Congratulations to all of the candidates who participated in the election. It was hard work and it took courage to put themselves out there in front of the entire class of 2025. Also, we can be very proud of our keiki as participation in voting reached an all time high of 86%. A total of 387 of our haumāna exercised their right to vote while participating in the civic process!

The student board election results are as follows:

*Class Officers: President, Star Woo / Vice-President, Mahealani Briones
Secretary, Kiana Waikiki / Treasurer, Ayceton Aona

*Class Representatives: Akahai Hudgens and Kaialea Tanner

Each graduating class votes for its class color in freshman year. Once chosen, a class' color follows them throughout high school, representing them at pep rallies, Senior Lū'au, graduation, and, most importantly, at Song Contest. Each year, the set of colors available for election depends on the colors already in use.

The Class of 2025 has selected *Poni (Purple)*

**Don't Forget Class Parent Applications are due
