

# ATP CLASS REPS. 2026

Christine "Ulu" Dash, Mother to Dakota (KS '26) and Drew (KS '31)

Ulu & Mike are proud Kamehameha alumni and enjoy giving back to Kamehameha Schools in appreciation of Pauahi's blessings. They are firm believers that "As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." -JFK

Grant Kaponu Kanoho

"As a 1997 Kamehameha Schools graduate, there was truly nothing as satisfying as having my daughter accepted last year! I've been married for 15 wonderful years to my wife, Dawn, and the father of 3 incredible keiki. I look forward to the opportunity to encourage and support our keiki in this time of incredible growth and transition in their lives. My goal is to absorb as much as possible from the ATP's that have come before us in order to create new opportunities and experiences for our keiki. It is such an honor for our keiki to be KS students - let us work together to make sure that their experience is nothing short of incredible. Let's give them the environment and support system to achieve great things for themselves, their families, their island community and the world beyond."

Michele Cadiente-Cargo, Mother to Connor Dane

Our family including husband Sev and daughter Macey have enjoyed being part of the class of 2026 and are thankful for the many, many opportunities provided by Kamehameha. A bonus we did not expect was the camaraderie we would build with other 2026 families. We look forward to connecting with more families during this 8th grade year and strengthening our 2026 community for years to come.

As your volunteer ATP team, we are your liasons and hope to strengthen the relationships within KS 2026 and bridge the relationships with the administration, faculty & staff. We are excited to plan memorable face-to-face activities for families to participate in throughout the year.
